BRAVEHEART AWARD

BACKGROUND

Scottish Terriers have long been known as dogs with short legs but "mighty attitudes." It is perhaps this attitude which includes dignity, courage and tenacity which allows many of these dogs to survive the most incredible odds. Unfortunately there are times when Scotties are abandoned, abused and/or neglected and end up in shelters, on the streets or if lucky are turned into responsible facilities/organizations. We recognize that every Scottie has a journey to make in their life and at times a particular journey can be laden with additional physical and/or emotional challenges. The BRAVEHEART Award was established in 2006 in honor of all Rescue Scots that have brought joy, unconditional love and loyalty to our hearts and homes; and to recognize the strength and value of Scottish Terriers who are given 2nd chances at finding a forever home. The BRAVEHEART Award highlights the rescued Scottish Terrier who has beat the most incredible odds and inspires all of us.

NOMINATIONS

Candidates for the BRAVEHEART Award may be nominated by a family member, friend, veterinarian, Rescue Coordinator or volunteer. The nominator must be familiar with the nominee's background and history with respect to their Scottie(s) and be able to succinctly describe/depict this information on the nomination form.
