## DONATING ITEMS

If you've been thinking of downsizing your scottie collection PLEASE think of us. You'll be able to receive tax credit as well as contribute to our mission! Donation of scottie items are welcome year-round regardless of their size. Nothing is too small as it can always help our Scottie elves fill those unique baskets that we offer! Think of the Rally as you do shopping year-round or receive duplicate gift items! We'll be grateful that you did! *Please note that we will **no longer be accepting used clothing items** as we have run out of storage room for them. If you have a ? regarding a highly valuable item please email us a photo at [dcscottierally@gmail.com](mailto:dcscottierally@gmail.com)*

## CAN YOU PITCH IN AND HELP?

Attached to this registration packet is a **volunteer sign-up sheet**. We may look like we've got everything taken care of however we can always use more volunteers who are capable of lending a pair of hands and making the work lighter for all of us. (All but one of our Board members are 64 or older & our bodies are feeling it). We understand that you are coming for the experience and don't want to miss a thing, however if you are willing to donate an hour of time on Friday or Saturday please let us know you can pitch in for a while.

If you notice something needs attention please jump in or let us know matey!

## WAYS YOU CAN BE AN AMBASSADOR FOR THE RALLY

- Post your enthusiasm about the 2017 program/registration on social media
- Share fave photo from previous Rally and encourage others to attend
- Request extra 2017 Rally postcards and take them to your community vet and shelters
- If you have been attending the Rally please reach out & welcome new attendees---they will be specially identified on their nametags.
- If an idea springs into your head----there will be a flipchart poste for writing things down for us to consider in the future. We are always looking for ways to ensure your experience is valuable and worth your time and effort in traveling here.
- Are you someone who will stop their car to meet others who may be walking a scottie? You're not alone! Please tell them about the Rally so we can continue the great work we do and its all about and for the terriers and wannabees in our lives!

## **RALLY WEEKEND IS A FUN FUNDRAISING EVENT!**

Our ability to raise money on Rally weekend is due to the generosity of donors who contribute to our auctions but most importantly the love and generosity of our bidders in both the Silent and Live Auctions and our shoppers in our Scottie Shoppe. Registration fees cover the cost of tent, table & chair and commode rentals, bagpipers, lodging and/or gas/honoraria and food/beverages.

Please be as generous as you can with bidding or rounding up your purchases.

Most likely your friends and family members know how important your furkids are to you. We're inviting you to join us in raising additional money for Scottie Rescue by asking your friends, neighbors and family members to support your participation in the Parade of the Scots regardless of whether you & your kids ride or walk the 1.8 mile route. Recruiting pledges is not mandatory BUT wouldn't it be great if everyone could play an active role in raising funding for our furkids and their extended family? It'll give you a chance to talk about the the work we collectively do to support and celebrate our noble breed! So print out the pledge form and start recruiting Scottie sponsors or if you'd prefer please consider making a donation with your registration. You have the opportunity to earmark your donation for health research, rescue, bagpipers, area of greatest need, etc.
